NEW DEAL

**James Carmony Is Now Manager
of Maysville Ball Team**

Last night at a meeting of the Board of
Directors of the Maysville Amusement Com-
pany, the resignation of Glenn McCas as
Manager of the Maysville team was accepted,
and James Carmony was tendered the position.
Carmony is Maysville's cracker jack first
base, and aside from his superb playing
abilities, has executive qualifications and a
head full of gray matter. In the hands of
the new Manager the team is expected to
show well up in the front.

Maysville is entitled to a good club, and it
is hoped the present team will develop all.

RECEPTION DAYS

Enjoyable Annual Feature to Occur
On Next Thursday and
Friday

Reception days in the Maysville Public
Schools will be observed Thursday and Friday
of this week, April 25th and 26th. On Thurs-
day at the First District School, Forest Ave-
nue Building and the Sixth Ward Colored
School; on Friday the Sixth Ward School, High
School Building and the Fifth Street Colored
School. A cordial invitation is extended to
the public to visit our schools on these days,
inspect the work and enjoy the special pro-
grams, which will be given in the afternoon.
May we urge as many as possible to come to
the forenoon and see the regular work of the
school in their class work?

Last year we had 820 visitors on these days,
and we hope that this year we may have even
more than last year. It is the purpose of
these days to exhibit some of the regular work
of the pupils that has been done at various
times through the school year. If we
could be assured that people would come to see
us we would not take the pains to prepare
special literary programs, but our past expe-
rience has taught us that the people will not
come unless there is some special attraction.
However, we wish it to be dis-
tinctly understood that this is not the most
important feature of our reception days.

Practically all of the work that will be seen
on display in the various rooms is just such
work as would be done if we did not observe
this special day. Some of it perhaps is more
carefully mounted than it would otherwise be,
and some of it is put on a better quality of
paper, but our teachers have been instructed
to prepare no work for the express purpose of
display on reception day. If the public mani-
fested a greater interest in the regular work
of the school and came to visit us in larger
numbers, we would not feel the need of these
special days, but our visitors record shows
that comparatively few take the time or pains
to come to see our regular work.

Remember the days, Thursday, 25th, and
Friday, 26th. Plan your work so that you
may visit us on these days. Respectfully,
J. W. BRADY, Superintendent.

PASTOR CLARK

Speaks to Great Gathering at the
Christian Church

The several hundred men who attended
Pastor Clark's special "Men's Meeting" at the
Christian Church Sunday night will be at-
tending the deep religious fervor portrayed in
the Pastor's sermon on "What's the Matter
With Maysville?"

Rev. Clark took the initiative in being the
first Maysville preacher to invoke the atten-
tion of the secular world by the medium of
publicity through the local press.

The success of the meeting was fully
demonstrated and much good is sure to result
from it.

The church was packed, many women being
present.

Pugnacious Preachers

Yesterday afternoon the quietude of West
Fourth street was disturbed and a great com-
motion created among the denizens of that
part of the city by an encounter between two
colored preachers. The Riverfront gentlemen

had quite a fistfight for a time, that was real
exciting while it lasted. How about that
proverb that brethren should dwell together in
harmony?

News of The Courts

COUNTY COURT.

A paper bearing date of April 21, 1909,
and purporting to be the last will and testa-
ment of Olotha Rudy, deceased, was produced
in Court, filed and execution of same was
proven by the testimony of J. F. Harbourn and
James Childs, attesting witnesses thereto, and
admitted to probate. Mary C. Wessell qual-
ified as executor of said deceased without bond.

J. B. Stroud qualified as Administrator of
Samatha Stroud, deceased, with J. S. Wood-
ward surety on bond. J. C. Case, J. S. Wood-
ward and Isaac Woodward were appointed to
appraise the personal property of the above
estate.

CIRCUIT COURT.

On motion of A. D. Cole, T. C. Campbell of
Vanceburg was sworn in as an Attorney at
the Mason Bar.

In the case of the American Bank against
the State Bank of Dover, on motion of plai-
ff the case was discontinued and judgment
given for defendant's costs.

The case of Brooks against City of Mays-
ville was abated out of its regular order yester-
day to give place to Judge E. C. O'Hair and
Thomas D. Slattery for defendants and
Worthington and Cochran for plaintiff to argue
demurrer to petition in the case of Clark vs.
Rogers. The petition was overruled. It is
not known at this time whether the defend-
ants will rest their case on the demurrer and
appeal directly to the Court of Appeals or
whether they will plead further as to the
merits of the controversy. The point on

demurrer involved the construction of the
written contract under which the plaintiff, F.
H. Clark, for a number of years past has
managed the business of the Limestone Dis-
tillery for the late Lida C. Rogers. Clark is
suing for one-fourth of the net profit as es-
timated on unsold goods on hand at Mrs.
Rogers' death, \$20,000.

POLICE COURT.

Yesterday afternoon Judge John L. Whit-
aker disposed of the following cases:

Thomas Black, stabbing his wife in the
thigh with a fork, drew a \$30 prize package
that will keep him in Jail for as many days.

The hearing in the case against Perry Brad-
ley, charged with bigamy, was continued until
Thursday.

SHORT WEIGHT CHEESE

**184 Separate Packages Seized by
U. S. Marshal by Court's
Order**

Deputy U. S. Marshal N. I. McDaniel of
Frankfort, acting under mandate of Judge
Cochran's Federal Court has seized and con-
fiscated 184 packages of cheese bought by the
M. C. Russell Company of this city from
Crosby & Co. of Wisconsin, several weeks ago.

It is alleged that the cheese are from a
quarter to a pound short in weight each;
therefore the Court has declared them contra-
band and seized and taken possession of same,
as per advertisement in this issue of THE
PUBLIC LEDGER, which further explains the
intention of the law.

The M. C. Russell Co. is now the owner and
custodian of said cheese and has given bond
for the possession and sale of same.

May 6th is the date named for the final dis-
position of the disputed cheese.

Thrilling Recital

As is most things, Maysville shares in the
loneliness and grief attending them is the Tito
disaster. The Time Star of Saturday con-
tained an illustrated statement that Mr. and
Mrs. Lucius Smith of West Virginia, were re-

tured from their six weeks' honeymoon.
Mr. Smith gave up his life that women and
children might be saved. Mrs. Smith was
rescued by the Carpathia. The grief-stricken
bride is a daughter of Congressman Hughes
of West Virginia. Not so long ago they and

Mrs. Josie Norton of Ashland, were welcome
guests of Dr. and Mrs. A. G. Browning of this
city. A graphic, touching recital of Mrs.
Smith's experience will be found in tomorrow's

FOR PRESIDENT,

NOTICE TO DELINQUENTS.

Owing to the fact that many of our subscribers on the Rural routes are dropping behind in their accounts and the amounts thus continue to increase from month to month, and that a large number of them ignore our repeated demands for a settlement, we have tired of sending nothing in return. Besides, it is very expensive to us and a violation of the postal laws; therefore we will send another statement to each delinquent and then take such legal action necessary to get what is due us and at the same time meet the requirements of the Postoffice Department. Respectfully,
A. F. CURRAN.

There is a great difference between a million ton iceberg sober and a 50,000 ton ship manned by drunken sailors.

Anyhow the loss of the Titanic gave thousands of spot-lighters an opportunity to air their opinions and bask in the sunshine of publicity.

That physicians of Northern and Eastern States who send advanced and indigent consumptives to the Southwest are guilty of malpractice, was the decision of the Southwestern Conference on Tuberculosis in session at Waco, Texas.

The morning session of the Conference was devoted to a consideration of plans for ameliorating the condition of consumptive strangers in the Southwest, and resolutions calling upon the Federal Government to convert military forts and reservations into Tuberculosis hospitals were adopted.

The question of discouraging further immigration of consumptives was discussed at length. A few extremists advocated quarantine restrictions, but this suggestion was rejected by the Conference as inadvisable at this time. The advocates of publicity of the fate of poor consumptives as a deterrent of further immigration won the day, and it was decided to call upon the newspapers of the country to give publicity to the facts that there are no free hospitals for consumptives in the Southwest; that the charity organizations have no funds for the care of strangers, and that suitable work is hard to find.

The Conference decided that it was inadvisable for any consumptives to come west without funds sufficient to maintain themselves for one year, and deplored physicians who advised patients otherwise.

The Conference decided to ask all railway corporations not to sell half rate or charity tickets to the Southwest to any persons unless responsible parties guaranteed that such persons would not become public charges after reaching their destination.

HAPPY THO' MARRIED?

There are unhappy married lives, but a large percentage of these unhappy homes are due to the illness of the wife, mother or daughter. The feelings of nervousness, the befogged mind, the ill-temper, the pale and wrinkled face, hollow and clouded eyes, result most often from those disorders peculiar to women. For the woman to be happy and good-looking she must naturally have good health. Dragging-down feelings, hysteria, hot-flashes or constantly returning pains and aches—are too great a drain upon a woman's vitality and strength. Dr. Pierce's Favorite Prescription restores weak and sick women to sound health by regulating and correcting the local disorders which are generally responsible for the above distressing symptoms.

"I suffered greatly for a number of years and for the past three years was so bad that life was a misery to me," writes Mrs. E. F. Dickover, of Utica, Ohio, Route 4. "The doctors told me I would have to go to a hospital before I would ever be better. A year ago this winter and spring I was worse than ever before. At each period I suffered like one in torment. I am the mother of six children. I was so bad for five months that I knew something must be done, so I wrote to Dr. E. V. Pierce, telling him as nearly as I could how I suffered. He outlined a course of treatment which I followed to the letter. I took two bottles of 'Favorite Prescription' and one of 'Golden Medical Discovery' and a fifty-cent bottle of 'Smart-Work,' and have never suffered much since. I wish I could tell every suffering woman the world over what a good Dr. Pierce's medicine are. There is no use wasting time and money doctoring with anything else or any one else."

How did those wireless operators at Cape Race and Patridge Island and other points come to send out so much news that wasn't so?—Philadelphia Record.

Mr. Carnegie will have to order a big lot of medals to meet the demand made by the sinking of the Titanic. It will require hundreds of medals to reward the heirs of the heroes who died that others might live.

It was real mean of J. Bruce Ismay to save his own life. There is a wolfish objection to Ismay's daring to live, which shows that the wild and ferocious animals are not all in the Zoos and the jungles. The fact that there was no panic on the boat at first shows that thousands were lured and lulled into the false belief that the Titanic was unsinkable.

The steamer Titanic was a masterpiece of human ingenuity and strength. The fact that the greatest and most-powerful ship ever built went to the bottom because of man's carelessness, and maybe, drunkenness, does not take a dot from the merits of the magnificent floating palace. Had the Titanic ran head-on into the rock of Gibraltar we doubt if she would have gone down to Davy Jones' locker any quicker than she did.

When Mr. Taft calls attention to the fact that even with a full vote of the country a man who receives a majority of the electorate receives the votes of but a small fraction of the people, Mr. Roosevelt sneers that Mr. Taft favors a government of the people for the people by a few of the people. But when Mr. Roosevelt receives a majority of the Republican vote in Pennsylvania—the whole vote being not more than fifty per cent of the vote of that party alone—it is an "overwhelming demand of the people" that Mr. Roosevelt shall break all the traditions of the country, as well as his own word, and take up the reins of government again.—Courier Journal.

Smith when he was selected to command the Titanic, and was taken from the Olympic for the purpose, was considered remarkable among steamship commanders, for it is a deep sea tradition that a captain's career is ended when his vessel meets with serious mishap.

The Olympic has twice met with misfortune with Captain Smith as her commander, but the White Star Company felt that it was justified in placing every reliance on the man who has ruled over the finest steamships in the world.

There went down with the great White Star liner a flock of "buzzards of the sea," human vampires who preyed on the passengers crossing the Atlantic, men whose mission in life inspired Wilson Mizner's play, "The Greynobound." It is known that at least a score of these harpies were on board the lost ocean liner.

Maysville Looming Up As Big Tobacco Market

Maysville Cor. Lexington Herald.

The Maysville tobacco market is drawing to a close, although sales will be held at all houses on the local market up to and including April 30, 1912. The Farmers and Planters have sold up to date 15,194,695 pounds of tobacco, and the Independent has sold 4,200,000 pounds, making the sales to date 19,394,695 pounds.

The Farmers and Planters are in receipt of communication from Missouri, asking that they remain open until several cars intended for their houses can reach here. The parties have been notified the market will close on the date mentioned above, and that their shipments will be taken care of should they arrive before that date.

The houses are remaining open until the 1st of May, in order to give their customers the opportunity of disposing of what tobacco they have left.

GRIAT MASS OF PROOF
REPORTS OF 30,000 CASES OF KIDNEY TROUBLE. SOME OF THEM IN MAYSVILLE
Each of some 6,000 newspapers of the United States is publishing from week to week, names of people in its particular neighborhood, who had used and recommended Doan's Kidney Pills for kidney backache, weak kidneys, bladder troubles and urinary disorders. This mass of proof includes over 30,000 testimonials. Maysville is no exception. Here is one of the Maysville cases.
Mrs. John Wallingford, 108 Commerce street, Maysville, Ky., says: "I am glad to confirm the testimonial I gave in 1900, recommending Doan's Kidney Pills. Several of my neighbors have been cured of kidney trouble by this remedy, and a member of my family was also cured of a serious case of kidney complaint by its use, after other medicine had failed. Every once in a while I get a box of Doan's Kidney Pills at J. J. Wood & Son's Drug Store, and use them. In this way I keep my kidneys in proper working order and ward off any kidney trouble."
For sale by all dealers. Price 60 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
